

HISTRONICS

Histrionics is created and produced by the School of Communications Arts, University of Western Sydney to encourage NSW students interest in history.

Eight schools compete in a knock-out competition that involves students from years 7,8,9 and 10 and covers the topic areas of Ancient, Medieval and Australian History.

Each team has four members. The participating schools were Caroline Chisholm College, Chester Hill High School, Greystanes High School, Hurlstone Agricultural High School, Meriden, Model Farms High School, Mt Carmel High School and Strathfield Girls High School."
